(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: Mr. Mansfield initiated an interview to discuss possible amendments to independent Claim 1 to possibly overcome the current cited prior art of record. Mr. Mansfield suggested incorporating the claim limitations of dependent Claims 7 and 8 into Claim 1 to further define the "solving the objective function" limitation. Mr. Mansfield also suggested adding another limitation that refers to dependent Claim 9's "constraints". Additionally, Mr. Mansfield indicated that the last limitation within Claim 1 seems vague and indefinite because the result is not exactly known. No allowable subject matter was discussed or agreed during the interview..
